

My name is **Kimberly J Robinson**. I was born in Santa Clara, California. I enjoy being involved with the community and helping out in any way I can.

I come from a family of two older brothers named David and Steven Coyne. My mom, Gloria Coyne is such a blessing to have in my life and my dad, John Coyne is my favorite dad ever.

My childhood was pretty busy as a child, in which my mom had me in many events and activities such as campfire girls, modeling, pageants, dancing, swimming, gymnastics, running fashion shows, being on TV.

I have a great life and love being so involved in so many activities growing up. When I graduated from High School I ended up with a scholarship in cross country and Track with Fresno Pacific College, located in Fresno California.

I have a pretty fun life always involved with working with lots of different crowds of people.

I have been married for 18yrs[Jeff] and have a 13yr old daughter[Hannah] and a dog named Huey.

I have recently been involved as the Executive Assistant for TruPeak and having a blast. I have helped make a movie, called Pyschopomp, in which will be released next year 2020. My daughter is also a client of TruPeak and was also featured in the movie. I look forward to many more projects to come
